 Request for Change
 Change Request:
 RFC#13-02

Requestor Name:	Bud Sokolovich	Date:	11/9/12	Affiliation:	
Email Address:	Bud.sokolovich@emcbc.doe.gov	Phone No:	513-246-0595	DOE-EMCBC	
Man Hours to Implement:	20	HQ Program Ofc:	EM	Contractor	
Proposed Change:	Add a check box in the Consumption Meters area of the Dimension tab to default all fields to "Not Used."				
Justification:	Many OSFs do not have any meters as they are roads, bridges, pipes, etc. and it would be much more efficient to allow for a one check default if all of the metering items will be "Not Used."				
Please Do Not Type Below This Line					
Remarks by FAC:	<p>11/28/2012 – FAC decided this request should be limited to OSF's only. A button will be created instead of a checkbox to be technically consistent throughout the application.</p> <p>FAC Recommended.</p> <p>FDDC Approved – January 16, 2013</p> <p>Implemented in FIMS v2.7 on February 12, 2013</p>
