Proposed Change:	<p>Add a new data element, "Outgrant Usage," relevant to buildings with outgrants only. Present the data element on the Outgrant Screen as a pick box with the following response options:</p> <ul style="list-style-type: none"> • 10 Administrative • 14 Post Office • 21 Hospital • 22 Prison • 23 School • 29 Other Institutional Uses • 30 Housing • 40 Storage • 50 Industrial • 60 Service • 70 Research and Development • 80 Other <p>Exclude outgrants with a predominant usage of "29 Other Institutional Uses" from reporting to the Federal Real Property Profile as outgranted.</p>				
Justification:	<p>The Federal Real Property Council's 2013 Guidance for Real Property Inventory Reporting changed past criteria for reported outgrants. It now directs agencies to "not report . . . onsite retail and food outlease[s]." Currently, FIMS does not collect a predominant usage for the outgranted portion of assets.</p>
