

**U. S. Department of Energy  
Facilities Information Management System  
Request for Change  
Change Request #: 14-07**

Requestor Name:	Roger Snyder	Date:	02/26/2014	Affiliation:	
Email Address:	Roger.snyder@science.doe.gov	Phone No:		DOE	
Man Hours to Implement:		HQ Program Ofc:	SC	Contractor	X
Proposed Change:	Add a new checkbox data element called Security which will be available for buildings, trailers, and OSF's for all ownership types. This new field addresses the condition in which an asset or an element thereof is subject to security measures beyond property protection and/or the asset is included in an area subject to protection beyond property protection. Property protection and beyond property protection are defined in DOE O 473.3.				
Justification:	This data element is needed to support the Laboratory Operations Board initiative.
