SUBJECT: Facilities Information Management System (FIMS) Version 2.21 Release

Today, Thursday, October 2, 2014, version 2.21 of the Facilities Information Management System (FIMS) was released. The URL to access the FIMS application is <https://fimsweb.doe.gov>. This release addresses the following enhancements which will automatically be available when you log into FIMS from your browser. The Change Requests can be found on the FIMS informational website ([http://fimsinfo.doe.gov/change\\_requests.htm](http://fimsinfo.doe.gov/change_requests.htm)).

- As part of the normal year-end processing, the Deferred Maintenance, Gross/Rentable Sqft, Goal Subject Facilities (GSF), Excluded Facilities (GSF), Non-Energy Consuming Facilities (GSF), Exclusion Part, and Justification Comment have been locked down until the FY14 year-end snapshot is generated on November 10, 2014.
- The lockdown of building and trailer Usage Codes 101 (Office) and 400-450 (Warehouse) has been removed.
- The Hazard Category values have been revised in accordance with Change Request 14-13.
- Standard report #072 (GSA Assigned) has been redesigned to align with the new data elements that are now required for GSA Owned and GSA Leased assets.
- There are additional building and OSF usage codes as outlined in Change Request 14-22.
- The FIMS User's and Reporting Guides have been updated to reflect these enhancements. These documents can be obtained from the FIMS informational website (<http://fimsinfo.doe.gov/documentation.htm>).

If you have any questions related to this enhancement, please contact the FIMS Hotline at 301-337-6019 or email FIMS Support.
