SUBJECT: Facilities Information Management System (FIMS) Version 2.22 Release

Today, Tuesday, November 18, 2014, version 2.22 of the Facilities Information Management System (FIMS) was released. The URL to access the FIMS application is <https://fimsweb.doe.gov>. This release addresses the following enhancements which will automatically be available when you log into FIMS from your browser. The Change Request can be found on the FIMS informational website (http://fimsinfo.doe.gov/change_requests.htm).

- Required Maintenance has now been activated for DOE Leased and Contractor Leased assets as outlined in Change Request 14-05. Required Maintenance will continue to be defined as an optional data element.
- Standard report #072 (GSA Occupancy Agreements) has now been modified to allow the user to generate this report Department-wide by providing an “All” option in the Field Office and Site pick lists.
- Deferred Maintenance, Gross Sqft and all Energy Consuming data elements that were previously locked in release v2.21 have now been unlocked and are available for input.
- The FIMS User’s Guide has been updated to reflect these enhancements. This document can be obtained from the FIMS informational website (<http://fimsinfo.doe.gov/documentation.htm>).

If you have any questions related to this enhancement, please contact the FIMS Hotline at 301-337-6019 or email FIMS Support.
